

WILLIAM MARCONI ITALIAN CLUB

NEW SMOKING RULES & REGULATIONS

March 6, 2015

To: All Members/Guests & Staff

From: Board of Directors

The Board of Directors had a lengthy discussion at their meeting regarding on how to improve the smoke condition in the club. This was discussed at the Annual Meeting this year and brought up by several members to the Board. This was not and will not be a battle between the smokers and non-smokers but to develop a policy that would improve the overall condition and health of the club and its members. As a result of our meeting we have passed the following rules and regulations:

- Both air exchangers in the ceiling will be on from the time the club opens until closing.
- The wall fans will be on from 3PM until closing. They will also be put on anytime there is a function, large crowd or requested by a member.
- The heaters on the deck will be on during all club functions, Thursday night raffles or when requested by any member. If you need the heaters on please ask the bartender or a board member.
- The Board encourages smokers to use the deck if possible. Smoking will still be allowed in the club except when stated in the rules and regulations.
- Thursday Nights there will only be smoking on the deck from 4PM till 7PM. No Smoking anywhere else in building including the kitchen. Starting April 2, 2015.
- All Dinners & Dances will continue to be non-smoking inside.
- The Board will make decisions on all other functions regarding smoking or non-smoking inside the building.

The Board of Directors realizes this is an issue that private clubs everywhere are dealing with and addressing. We feel this policy will greatly improve the club and we thank everyone for their support and assistance in this matter. The Board will continue to work and monitor this issue. Anyone with any questions, concerns or ideas are more than welcome to attend any of the Board Meetings on the 2nd Tuesday of the month at 6PM. Thank You for your assistance in this matter!!
